Pursuant to a petition filed December 03, 2012, under Wis. Stat. § 49.45(5)(a), to review a decision by the Kenosha County Human Service Department in regard to Medical Assistance, a hearing was held on January 17, 2013, at Kenosha, Wisconsin.

The issue for determination is whether the agency properly denied the Petitioner's application for BadgerCare Plus benefits.

**FINDINGS OF FACT**

1. Petitioner (CARES # [REDACTED]) is a resident of Kenosha County.
2. On September 12, 2012, the agency conducted an intake review with the Petitioner. At the review, the Petitioner told the agency that she was no longer employed.

3. On September 13, 2012, the agency issued a Notice of Proof Needed to the Petitioner requesting proof of residency and employment verification. The due date for the requested information was October 4, 2012.
4. On December 4, 2012, the agency issued a Negative Notice to the Petitioner informing her that her application for FS benefits had been denied due to failure to submit requested verifications.
5. On December 3, 2012, the Petitioner filed an appeal with the Division of Hearings and Appeals.

### **DISCUSSION**

Proof of certain information is required to determine eligibility for BadgerCare Plus. Mandatory and questionable items must be verified at application. This includes employment status and income. BadgerCare Plus Handbook (BCPH) § 9.1

The Handbook indicates that an application must be denied for failure to provide information or verification, if:

1. The applicant has the power to produce the verification.
2. The time allowed to produce the verification has passed.
3. The applicant has been given adequate notice of the verification required.
4. The agency needs the requested verification to determine current eligibility.

BCPH §9.11.4.

The agency must assist the applicant in obtaining verification if she requests help or has difficulty in obtaining it. BCPH § 9.8.

In this case, the Petitioner testified that she had difficulty obtaining the requested information from the employer. She contacted the agency for assistance and did not receive a return phone call. The Petitioner testified that this attempted phone call for assistance to the agency occurred the week after October 4, 2012. The Petitioner also testified that when she received the information, she faxed it to the agency from the public library. She provided a fax cover sheet indicating 3 pages being faxed including the cover sheet, a residential lease agreement and her final pay statement. The Petitioner was unable to produce a receipt to show when the information was faxed to the agency and the Petitioner could not recall the date.

Based on the evidence and testimony, I conclude that the agency properly denied the Petitioner's BadgerCare Plus benefits application. The Petitioner testified credibly that she was having difficulty obtaining the information requested but she did not seek assistance from the agency until after the due date for the information. Though it is not known when the Petitioner faxed the lease and pay statement, based on the testimony, it appears to have been after October 4.

I note that the agency indicated that the Petitioner can re-apply for benefits at any time and provide the required information.

**CONCLUSIONS OF LAW**

The agency properly denied the Petitioner's application for BadgerCare Plus benefits.

**THEREFORE, it is**

**ORDERED**

That the petition be, and hereby is, dismissed.
